

Asia's Best-in-Class Companies Celebrated at the 2015 Frost & Sullivan Asia Pacific Best Practices Awards

Singapore, 15 October 2015 – Frost & Sullivan celebrated exceptional business achievement and innovation amongst Asia's leading firms at the 2015 Frost & Sullivan Asia Pacific Best Practices Awards held at the Conrad Centennial Singapore.

More than 40 companies that demonstrated best practices and outstanding performance across diverse industries were feted at this prestigious event, which included top performers like Napier Healthcare, Emerson Network Power, Tata Communications and Amway.

Mr. Manoj Menon, Senior Partner & Asia Pacific Managing Director at Frost & Sullivan said that the awards identify and honor the best in class companies which have continually demonstrated excellence in their respective industries.

“We are extremely proud and happy to celebrate the achievements of these truly innovative and well-deserving companies in Asia Pacific. I am confident they will continue to inspire and positively impact their industry through their best practices demonstrated in their respective fields,” he noted.

The recipients of the 2015 Frost & Sullivan Asia Pacific Best Practices Awards were identified based on in-depth research conducted by Frost & Sullivan's analysts. The award categories offered each year are carefully reviewed and evaluated to reflect the current market landscape and include new emerging trends.

The shortlisted companies were evaluated on a variety of actual market performance indicators which include revenue growth; market share and growth in market share; leadership in product innovation; marketing strategy and business development strategy.
